About Us

Hi, I'm Mrs. Legassie!

I live in Fort Langley, BC with my husband, our two kids, and our Rhodesian Ridgeback. I have been a teacher since 2010 and have experience teaching in the private, public, and homeschool settings.

I am currently the Lead Educator at Joyful Learning where I host virtual educational events and create companion teaching resources like this!

About Joyful Learning

Joyful Learning is a project of Legassie Education Access Foundation (LEAF) a not-for-profit organization currently focusing on the development of affordable online educational experiences that spark joy, wonder and a love of learning.

Joyful Learning launched in the early days of the pandemic, bringing people together through online events, helping them to feel connected to the world outside of their classroom or home learning space, and to develop an understanding of how their attitudes and actions have an impact on the world around them. Since then, Joyful Learning has hosted more than 150 virtual events connecting with over 75,000 children from more than 3700 classrooms across North America.

Virtual Classroom

Our Orange Shirt Day virtual classroom is filled with informational videos, read aloud books, informational websites, and more for your learners to explore at school or at home. We highly recommend pre-watching all videos to ensure they are appropriate for your students. To keep students safe and on task, YouTube videos are linked through SafeShare which removes advertisements and suggested videos.
